LIMUN | Model 2170
LIMUN Coffeetable | Model 2175

A flowing design and clean lines, ergonomics and comfort. LIMUN has a caressing volume, but its slender structure makes it look very light. The ergonomically shaped and comfortably upholstered seat shell with its gently rising armrests provides support and stability for the back and arms. LIMUN is the perfect companion for concentrated conversations in long meetings as well as for nice chats in a relaxed atmosphere.
