LIMUN | Model 2170

LIMUN Coffeetable | Model 2175

A flowing design and clean lines, ergonomics and comfort. LIMUN has a caressing volume, but its slender structure makes it look very light. The ergonomically shaped and comfortably upholstered seat shell with its gently rising armrests provides support and stability for the back and arms. LIMUN is the perfect companion for concentrated conversations in long meetings as well as for nice chats in a relaxed atmosphere.

Frame 2170

Die-cast aluminium frame polished as standard, optionally powder-coated with black matt structure. 4-arm base with conical cantilevers running from 35 mm to 22 mm. A rotating column at the bottom Ø 50 mm and at the top Ø 40 mm screwed to the seat shell with a four-arm crossbar support.

Seat shell

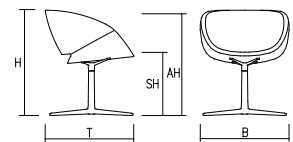

Seat shell based on a tubular steel frame with polyurethane foam coating. Flame resistant polyurethane foam in accordance with BS 5852 Crib 5.

Gliders

Standard version:	without gliders
Optional extras:	plastic gliders
	felt gliders
