LIV | Model 2180 lounge-chair | Model 2181 lounge-chair with softstyle upholstery

An invitation to sit relaxed in public and private work and life areas. The light armchair signals unobtrusively elegant security. The austere chrome-plated or black matt powder-coated four-arm swivel base developed a counterpoint to the enveloping curves and harmonious proportions of the upholstered body. Depending on your personal preference, you can choose between firm or wrinkled-soft upholstery types. To perfect comfort, the armchair can be supplemented with a footstool.

Frame

Cruciform base made of slightly tapered flat steel, approx. 40 mm high, 12 mm thick, with rotating pillar 55 mm diameter, screwed to the base, standpipe with welded truss plate, for screwing the upholstery shell.

Frame surfaces

Chrome-plated or black matt powder-coated.

Seat shell

Upholstery support consisting of a steel frame and molded wood support plate covered with molded polyurethane foam and padding wadding.

Seat cushion (Model 2180 | Model 2181)

Two-layer comfort cushion made of polyurethane foam.

Upholstery of the footstool (Model 2195)

Polyurethane foam cushion

Fabric cover

Model 2180: according to the BRUNE® collection

Model 2181: Camira Synergy fabrics of your own choice from fabric group 7 of the BRUNE® collection.

With casual drapery and draw-in in the back

Model 2195: according to the BRUNE® collection
